4. On the next screen is where you select your Membership level. Select your type (individual or business) and level (the higher levels are tax deductible and you will receive correspondence from the ADCA thanking you for your contribution) and click Continue.
5. On the last screen you have the option of setting up your membership to Auto-renew on your expiration date or to make a Manual payment, both through Paypal. Click the Paypal button in the second section, which will let you log into Paypal and get everything set up. If you do not have a Paypal account and wish to pay by check, you are now complete with your setup, but need to (a) mail a check to ADCA, 1608 Osage Drive, North Little Rock, AR 72116, and (b) e-mail adca.members@gmail.com so that we can manually complete your registration .
